General

What are the official and regularly updated sources of information to consult? How can I find out about the measures taken in my city or department? What numbers are useful? Where to find the official FAQs? Where can I find the epidemic indicators in my municipality or department? Where can I find the published texts?

Sanitary Pass

What measures are envisaged by the law of 5 August concerning the extension of the health pass and the obligation to vaccinate health workers? Where is the mask still required from June 17th? What measures are lifted at 4^e phase of deconstruction June 30, 2021? The sanitary pass, where and how? What's my risk if I don't show my pass? French vaccinated at the foreigner or foreigners tourist, how to get the sanitary pass? What European Certificate for Travel? Until when is the transitional health crisis exit regime established? What are the penalties if the obligation to wear the mask is not respected?

FYI : Folder "[Everything about the sanitary pass](https://www.service-public.fr/particuliers/actualites/A15121) (https://www.service-public.fr/particuliers/actualites/A15121) "provides an update on this initiative, which has been in place since 9 June 2021.

Justice

Promiscuity, tension, anxiety... The particular context of confinement has seen an upsurge in domestic and intra-family violence. What measures are in place to combat such violence? What number to call when a child is in danger? Is the offence of violation of confinement in accordance with the Constitution?
