Return to Work (ARE) unemployment benefit for a private employee

Verified 01 mai 2022 - Legal and Administrative Information Directorate (Prime Minister)

Additional cases ? [For a former public official \(https://www.service-public.fr/particuliers/vosdroits/F12386\)](https://www.service-public.fr/particuliers/vosdroits/F12386)

To collect the WFA, you must be involuntarily deprived of a job. You must justify a minimum period of work at the end of the employment contract. A simulator allows you to estimate the amount of your ARE. The payment of the AER can be combined with other business income. The payment of the AER ceases if you return to an employed occupation. The conditions of compensation are not the same before or after 1st November 2019 and by your age.
