## How do I track the manufacturing of my driver's license?

Verified 14 octobre 2019 - Directorate for Legal and Administrative Information (Prime Minister)

You can track the progress of your driver's license manufacturing from your account in the current application dashboard.

---

 [Follow your driver's license application](#)

National Secured Securities Agency (NSA)

Accessible with FranceConnect or with your login details. If you don't have one, you can create an account.

Go to  
online service   
(<https://ants.gouv.fr/monespace/accueil>)

You are also informed by email at every important step (and by SMS if you have entered your mobile phone number when applying for the permit).

### Online services and forms
