Income tax: what is the purpose of the tax notice?

Verified 01 janvier 2022 - Legal and Administrative Information Directorate (Prime Minister)

After reporting your income, you will receive a *income tax notice*.

If you reported your income online, you can get a *notice of return* as soon as your return is complete.

The situation notice can be used without waiting for the *notice of tax*.

Warning : the *notice of non-taxation* no longer exists. The situation notice replaces it.

The tax notice or tax notice justifies your income and expenses with organisations (banks, administrations, lessor, etc.).

If you are not taxable, the notice of situation allows you to claim certain social rights.

Notice of situation or *notice of assessment* is sent by mail.

If you haven't received it, you can get it in your particular space of the site.
