Remote service: Citizen's Remedies (appeal to the administrative judge)

Council of State

Citizen telemetry is for individuals not represented by a lawyer.

It allows:

- exchange with administrative courts, administrative courts of appeal and the Council of State in a dematerialized and secure manner,
- and to monitor the progress of its case.

 **Please note :** *Citizen telemetry* is not required. It is always possible to lodge an appeal by traveling to the court reception or by mail, preferably by registered mail with acknowledgement of receipt.
